1. RENT. Tenant shall pay Monthly Rent in advance and without demand and without setoff on or before the first (1st) day of each month (due date) with no grace period and is late if not paid by the due date. Landlord may, at Landlord's option, require at any time that Tenant pay all rent and other sums in certified or cashier's check, money order, or one monthly check, rather than multiple checks. Cash is not acceptable without Landlord's prior written permission. If Tenant moves in part way through a month, first month's rent is prorated to XXXXXX. If Tenant does not timely pay the full Monthly Rent or other charges due under this Lease, Landlord may utilize all remedies under this Lease, including the termination of Tenant's right to possess the Rental Property. If Landlord has not received the monthly rent and any other sums due (except for late fees) from Tenant for any given month within seven (7) calendar days of it being due, Tenant shall pay a late fee of fifty dollars (\$50) or five-percent (5%) of the past due monthly rent, whichever is greater. Tenant shall pay the Returned Check/Payment Charge for each returned check/payment, plus Late Charge from the date due until Landlord receives acceptable payment. Tenant may not withhold or offset rent for any reason. Unless specifically stated in this Lease, any charges, fees, or amounts (collectively "amounts") other than rent due under this Lease are due and payable on the same day as rent. Landlord may change when amounts other than rent are due by providing Tenant written notice that such amounts are payable on a different date. Landlord shall apply all monies received from Tenant in the following order: (1) rent, (2) other charges and fees due from Tenant.

2. USE AND OCCUPANCY. This Lease limits occupancy in the Rental Property to no more than FOUR unrelated people. Tenant agrees to rent the Premises for use as a private residence only. The Rental Property will be occupied only by Tenant. No one else may occupy the Rental Property without Landlord's prior written consent, which consent may be withheld in the sole discretion of the Landlord. A person shall be considered to be occupying the Rental Property if the person reasonably appears to be using the Rental Property as a place to live. Indications of occupancy shall include, but not be limited to: coming and going to the Rental Property with the use of a key, providing any third-party (including the police) with the address of the Rental Property as that person's residential address, receiving mail at the Rental Property, keeping clothes or personal effects at the Rental Property, commonly being present in the Rental Property or common areas of the community, or commonly parking the person's vehicle for extended periods of time or overnight. A person may establish unauthorized occupancy of the Rental Property, and thereby create a violation of this Lease, even if that person owns or leases other residential property. Tenant is responsible for the conduct of any and all guests. Any person in the common areas coming to or from the Rental Property shall be Tenant's guest. Landlord may exclude guests or others who, in Landlord's judgment, have been violating or are about to violate the law, violating or about to violate this Lease or any rules, or disturbing other Tenants, neighbors, visitors, or Landlord representatives. Landlord may also exclude from any common area a person who refuses to show photo identification or refuses to identify himself or herself as a Tenant or as a guest of a specific Tenant in the community. Any misrepresentation of fact by Tenant in the Lease shall be a violation of this Lease and entitle Landlord to terminate Tenant's right to possess the Rental Property. Tenant may not utilize the premises for any short term rental activity, such as Air BNB, VRBO, or any similar service.

3. SECURITY DEPOSIT. At the time of the signing of this Lease, Tenant shall deposit with Landlord the Security Deposit against the breach of any of Tenant's obligations contained herein, including without limitation: damage to the building of which the Rental Property is a part, common areas and buildings owned by Landlord and surrounding or adjacent to the building which the Rental Property is a part, furniture, fixtures, appliances, and carpet; abandonment of the Rental Property; nonpayment of rent, late charges, insufficient check charges, attorneys' fees, and any other sum owed Landlord by Tenant. Landlord shall have the right to apply such portion(s) of the Deposit reasonably necessary to remedy any default(s) by Tenant in the payment of rent, late fees or any other sum, or to repair any damage to the Premises or to Landlord's property caused by Tenant and Tenant shall replenish the portion(s) of the Deposit applied towards Tenant's default(s) within ten (10) days of written notice from Landlord. The Security Deposit or other like amounts received by Landlord from Tenant pursuant to this Lease will be held and disbursed subject to the terms of this Lease and law. Within sixty (60) days after surrender and acceptance of the Rental Property, Landlord shall provide Tenant, at Tenant's last known address, with a written statement listing the reasons for any charges against the Security Deposit, and refund the balance of the Security Deposit (if any) therewith. The Security Deposit shall be returned to Tenant only after each and all of the following conditions have been met or the corresponding charges have been applied: 1) There are no unpaid charges, damages, or rentals due by Tenant; 2) The Rental Property shall have been left in the same condition as when Tenant moved in, undamaged except for ordinary wear and tear. Tenant acknowledges and agrees that in no event shall said Security Deposit be applied by Tenant for any rent or charge due hereunder without the Landlord's prior written approval. Landlord will pay Tenant interest on the Security Deposit at 2.92% for period the Landlord holds the Security Deposit as required by the City of Boulder. Landlord will return Security Deposit to Tenant as one check made out to all on this Lease, unless Tenant provides Landlord with written/signed instructions to have it returned another way.

4. UTILITIES. Landlord shall pay only for the utilities checked below:

☐ Electricity ☒ Gas ☒ Water/Sewer ☒ Trash/Recycling/Compost ☐ TV ☐ Internet Service

Tenant shall pay for all other utilities, related deposits, connect and disconnect fees, and charges on utility bills delivered to or for the Rental Property or connected in Tenant's name or during Tenant's tenancy. Tenant must not allow utilities to be disconnected. Landlord, at Landlord's option, may pay any past due utility bill on behalf of Tenant, add the amount paid to the balance due by Tenant under this Lease and utilize all remedies available against Tenant

for nonpayment of amounts due under this Lease. Utilities may be used only for normal household purposes and must not be wasted. Landlord does not warrant that utility services will be uninterrupted during the term of this Lease.

5. KEYS. At delivery of possession of the Rental Property, Landlord shall provide Tenant apartment or house key(s) used by previous residents. If Tenant would like locks changed, Landlord can change locks and split the cost equally with Tenant during the first month of this lease. Tenant must have Landlord's written permission to change locks on their own, and will provide Landlord with two (2) copies of new key(s) immediately. Tenant must call a locksmith if locked out. Any Tenant who has permanently moved out according to a remaining Tenant's affidavit is (at Landlord's option) no longer entitled to occupancy or keys. Landlord may (but shall not be obligated to) at any time, including following the death of Tenant, deliver copies of any and all keys to any person designated by Tenant in writing to Landlord. Tenant is expected to return keys to Landlord upon move out.

6. DELAY OF AVAILABILITY. Landlord shall not be liable to Tenant for any delay in providing possession of the Rental Property. The Lease will remain in force; however, Monthly Rent shall be waived on a prorated daily basis during delay. If the delay is longer than seven (7) days, Tenant shall have the right to terminate this Lease. The termination notice must be in writing. After termination, Tenant is entitled only to a refund of the deposit(s) and any rent paid. Monthly Rent abatement or Lease termination does not apply if delay is for cleaning or repairs that do not prevent Tenant from occupying the Rental Property.

7. STATUTORY RIGHT TO CURE. Pursuant to Colorado law, Tenant has the right to pay all amounts due prior to a court entering a judgment for possession if Tenant is being evicted for non-payment of rent. If Tenant exercises Tenant's statutory right to pay, Landlord only has to accept Tenant's payment if Tenant fully pays all amounts due according to eviction notice, as well as any rent that remains due under this Agreement. If Tenant exercises Tenant's right to pay, Tenant agrees to pay in certified funds (cashier's check, money order, or credit/debit card).

8. DAMAGES FOR BREAKING LEASE. Tenant shall be liable to Landlord if for any reason prior to the end of the Lease Term, any extension, or renewal, Tenant vacates the Rental Property for any reason without fully performing all Lease covenants including Tenant's covenant to pay all rent due under the Lease (hereinafter "Lease Break Event") for any term, extension, or renewal other than a term for month-to-month. **FUTURE RENT:** Termination of possession rights or subsequent reletting does not release Tenant from liability for future rent. However, Landlord will apply proceeds of successful reletting to Tenant's obligations for continuing Monthly Rent. After giving notice to vacate or filing an eviction suit, Landlord may still accept rent or other sums due; the filing, or acceptance does not waive or diminish Landlord's right of eviction or any other contractual or statutory right. Accepting money at any time does not waive Landlord's right to damages, past or future rent, or other sums. All Monthly Rent for the rest of the Lease term or renewal period shall be accelerated automatically without notice or demand and will be immediately due and delinquent if Tenant's possession rights are terminated or Tenant abandons the Rental Property. If Tenant is evicted, Landlord will be entitled to \$300 from Tenant for Landlord's time, in addition to all the other costs and charges Tenant will owe.

In the event of a sole Tenant's death, Landlord may take possession of the apartment and dispose of all property without court order if a personal representative surrenders the apartment to Landlord, or if 30 days have passed and either rent remains unpaid or substantially all of the tenant's property has been removed. No early termination charges and repayment of concessions will apply in the event of a sole Tenant's death; however, we may retain a portion of the security deposit only for actual property damage directly resulting from the tenant's death beyond ordinary wear and tear. Regardless of anything to the contrary in this Agreement, upon a Tenant's death, the Tenant agrees to pay damages in accordance with this section. A deceased Tenant is liable for all rent that was past due at the time of death. Liability for future rent is determined by when the unit is vacated after notice, or by operation of law. A deceased Tenant's liability for future rent is limited to ten (10) business days if notice of death is given to us and the unit is vacated within ten (10) business days of that notice. If the unit is not vacated and notice is not given, the deceased Tenant shall not be liable for more than thirty (30) days of future rent after the date of death. For any period, we will

not claim both past due rent and future rent. Landlord may retain the security deposit or any associated damage deposit sufficient to cover costs related to damage caused by the death of a Tenant and for other physical damage beyond ordinary wear and tear.

Landlord shall not be liable to Tenant or any guests or Occupants for injury, damage, or loss to person or property caused by criminal conduct of other persons, including theft, burglary, assault, vandalism, or other crimes. Landlord shall not be obliged to furnish security personnel, security lighting, security gates or fences, or other forms of security unless required by statute. Landlord does not warrant, represent nor guarantee whether other persons residing in or near the complex appear on any list of sex offenders and shall not be obligated to monitor or disseminate any compilations of registered sex offenders or other criminals. If Tenant desires to obtain a copy of the list of convicted sex offenders in the area, Tenant must obtain a copy from the local police, sheriff or other public record.

28. LANDLORD'S ENTRY RIGHTS. If Tenant or any guest is present, then Tenant shall allow repairers, servicers, or Landlord's representatives to peacefully enter the Rental Property at reasonable times. If nobody is in the Rental Property, then repairers, servicers, or Landlord's representatives may enter peacefully and at reasonable times by duplicate or master key (or by breaking a window or other means if locks have been changed in violation of this Lease). Landlord shall provide written notice of the entry in a conspicuous place in the Rental Property immediately after the entry, unless written notification of entry was provided to Tenant by Landlord prior to entry. Landlord may enter for the purpose of responding to Tenant's request; repairs; estimating repair or refurbishing costs; pest control; preventative maintenance; filter changes; testing or replacing smoke and/or carbon monoxide-detector batteries; retrieving tools or appliances; preventing waste of utilities; delivering, installing, reconnecting, or replacing appliances, equipment, or security devices; removing or re-keying unauthorized locks; stopping excessive noise or other disturbances; removing health or safety hazards (including hazardous materials) and items prohibited under Landlord's rules; retrieving property owned or leased by former Tenants; inspections; entry by a law-enforcement officer with or without a search or arrest warrant or in hot pursuit; showing the Rental Property to prospective Tenants;

Landlord will charge a \$45.00 check out fee to Tenant moving out to inspect Rental Property should all Tenants on Lease be reassigned or sublet. To initiate this process, Tenant must submit written notice and provide qualifying documentation under C.R.S. § 38-12-402(2)(a). If Landlord receives proper notice and documentation, and if a payment plan is authorized by law, Landlord will not proceed with eviction as long as Tenant complies with the agreed terms of the payment plan.

32. ATTORNEY'S FEES AND OTHER REMEDIES. In any disputed court action where the court resolves the dispute and determines the prevailing party, the court shall also award to the prevailing party its reasonable attorneys' fees and costs and the non-prevailing party shall be liable to the prevailing party for payment of any court awarded attorneys' fees and costs. If the Landlord has filed an eviction due to Tenant's Lease breach, including breaching for non-payment of rent, regardless of the outcome or disposition by the Court, Tenant agrees upon request that the Court shall make a determination who the prevailing party was in any eviction and whether any attorneys' fees and court costs sought by any party are reasonable. If for any reason the Court does not make such determination in any eviction lawsuit between the parties, Tenant and Landlord agree that a court in any subsequent action between Tenant and Landlord shall make that determination. Tenant agrees that suit shall have the broadest possible meaning and includes by way of example but not by way of limitation any lawsuit, governmental agency action including but not limited to any fair housing claim, or any other proceeding, between Landlord and Tenant to enforce this Agreement, arising from this Agreement, or in any way connected with this Agreement or Tenant's tenancy at the Premises, including but not limited to litigation concerning Tenant's security deposit. 35. ABANDONMENT. Tenant agrees that if Tenant abandons or surrenders the Rental Property and leaves behind personal property, Landlord shall have the right, but not the obligation, to remove and dispose of said personal property as Landlord sees fit, at Tenant's sole risk and cost and without recourse by Tenant or any person claiming under Tenant against Landlord or Landlord's representatives. Tenant shall not allow others near the Rental Property to be disturbed or annoyed by smoking by Tenant or any guest or invitee. Tenant shall not grow or manufacture any substance or material including, but not limited to marijuana. Upon lease termination and surrender of the Rental Property, Tenant shall be responsible for any and all cleaning, repairing, repainting and replacement necessary to correct smell or residue in and around the Rental Property. No amount of discoloration or smell from smoking or any other action shall be considered ordinary wear and tear. Smoking/vaping of all tobacco products in the Rental Property is prohibited, including common areas.

If Landlord discovers that Tenant has painted with any other color, Landlord will paint over that color at Tenant's expense. Tenant will not paint any unpainted surface.

39. MODIFYING AND INTERPRETING THIS LEASE. This Lease and any attached Addenda is the entire agreement. Neither Landlord nor any of Landlord's representatives have made any oral promises, representations, or agreements. Landlord's representatives (including management personnel, employees and agents) have no authority to waive, amend, or terminate this Lease or any part of it, unless in writing. No action or omission of Landlord's representative will be considered a waiver of any subsequent violation, default, or time or place of performance. In filling out, processing, and completing this Lease some clerical, scrivener, human, computer and/or mathematical errors may occur. In the event of any such errors or mistake and regardless of who made the mistake, Tenant agrees to cooperate with Landlord to execute or re-execute any document necessary to correct any such mistake or error upon

demand by Landlord. Invalidation of any one of the foregoing provisions, covenants, or promises by judgment or court order shall in no way affect any of the other provisions, covenants, or promises contained in this Agreement which will remain in full force and effect. No provision, covenant, or promise contained in this Agreement shall be deemed invalid or unenforceable because such provision, covenant, or promise does not provide for or grant Landlord or Tenant equal or reciprocal rights.

40. FEDERAL LEAD WARNING STATEMENT. Housing built before 1978 may contain lead-based paint. Lead from paint, paint chips, and dust can pose health hazards if not managed properly. 41. COLORADO RADON DISCLOSURE. RADON WARNING STATEMENT: THE COLORADO DEPARTMENT OF PUBLIC HEALTH AND ENVIRONMENT STRONGLY RECOMMENDS THAT ALL TENANTS HAVE AN INDOOR RADON TEST PERFORMED BEFORE LEASING RESIDENTIAL REAL PROPERTY AND RECOMMENDS HAVING THE RADON LEVELS MITIGATED IF ELEVATED RADON CONCENTRATIONS ARE FOUND. ELEVATED RADON CONCENTRATIONS CAN BE REDUCED BY A RADON MITIGATION PROFESSIONAL. RESIDENTIAL REAL PROPERTY MAY PRESENT EXPOSURE TO DANGEROUS LEVELS OF INDOOR RADON GAS THAT MAY PLACE THE OCCUPANTS AT RISK OF DEVELOPING RADON-INDUCED LUNG CANCER. RADON, A CLASS A HUMAN CARCINOGEN, IS THE LEADING CAUSE OF LUNG CANCER IN NONSMOKERS AND THE SECOND LEADING CAUSE OF LUNG CANCER OVERALL. A LANDLORD IS REQUIRED TO PROVIDE THE TENANT WITH ANY KNOWN INFORMATION ON RADON TEST RESULTS OF THE RESIDENTIAL REAL PROPERTY.

42. PESTS. If Tenant fails to report any pest infestation and/or problems with the Rental Property within seven (7) days of move-in, it shall be an acknowledgement by Tenant that the Rental Property are acceptable, in good condition, and pest free. To the extent the Rental Property has ever been infested by rodents and vermin, including, but not limited to, beetles, spiders, ants, roaches, bed bugs, mice, and rats (collectively "Pest"), Landlord believes that appropriate extermination response has been made to any infestation and that the Rental Property is not currently infested by Pests. Tenant shall cooperate fully with and undertake all efforts and tasks required by Landlord or Landlord's pest control company employed to eradicate Pests. Tenant's full cooperation includes but is not limited to immediately reporting Pest infestation to the Landlord, making the Rental Property available for entry to complete Pest inspection and eradication treatment(s), completing all required pre-treatment activities, evacuating the Rental Property during and after treatment for the required time frame, completing all required post-treatment activities, and immediately reporting ineffective treatment or re-infestations to the Landlord in writing. In the event the Landlord reasonably determines that any of Tenant's personal property is infested with any Pest, Landlord may require that

such personal property be permanently removed from the Rental Property upon ten day written demand and may require that such personal property be sealed prior to removal in order to keep Pest from spreading to common areas or other residences in the complex. Tenant may request reasonable extermination services at any time. All requests must be in writing. Landlord will notify Tenant in advance of each Pest inspection, including providing a preparation sheet. Notification is presumed received if Landlord hands the notice and instructions directly to Tenant, if Landlord posts the notice and instructions to Tenant's unit, or if Landlord emails notice and instructions to Tenant. If Tenant promptly notifies Landlord and cooperates with Landlord and/or Landlord's pest control company and the unit is either re-infected or the initial treatment is ineffective, Landlord will schedule re-inspection and re-treatment at no cost to Tenant. If Tenant is not fully prepared for the treatment, Tenant agrees to pay for the cost of service. If Tenant fails to cooperate fully with the treatment plan and the unit is either re-infected or the initial treatment is ineffective, Tenant agrees to pay all costs of all subsequent treatments, as well as the cost of treatments for the spread of the infestation to additional units. Landlord, Landlord's employees, officers, or directors are not liable to Tenant for any damages caused by Pests, including but not limited to, replacement of furniture, medications, or medical expenses. Landlord, Landlord's employees, officers, or directors are not responsible for any damage done to Tenant's unit or personal items during pest control inspections or treatments. Tenant acknowledges that Landlord's efforts to provide a Pest free environment, does not in any way change the standard of care that Landlord owes Tenant under this Lease. Tenant further acknowledges that Landlord does not guaranty or warranty a Pest free environment. Tenant acknowledges and understands that Landlord's ability to police, monitor, or enforce the Lease is dependent in significant part on Tenant's voluntary compliance and cooperation. Tenant acknowledges that used or secondhand furniture is the primary way that bed bugs and roaches are spread. Tenant agrees to carefully inspect any used or secondhand furniture, especially bedding, acquired by or purchased by Tenant that is brought into the Rental Property. Tenant agrees not to acquire or bring into the Rental Property any used or secondhand furniture removed from the garbage. Tenant acknowledges that sharing vacuum cleaners, etc. is another highly possible way to spread bed bugs and roaches. Tenant shall not to share such items with other residents.
